Woof:

The American legal system being what it is, for us to be able to do this we need to agree upon the matter of legal liability.

- 1) On this day or any other, all my activities are as a corporation.**
- 2) California law applies regardless where the instruction may take place.**
- 3) No suing no one for no reason for nothing no how no way. Only you are responsible for you.**

If there is ever anything that you do not want to do, just speak up.

I so agree: _____
